

Millwood Farmers' Market
Application for Summer 2011
Wednesdays 3:00 PM to 7:00 PM

The goal of the Millwood Farmers Market is to provide the residents of the community with a reliable source of quality fresh produce and other artisan goods, while at the same time providing a viable venue for local producers to sell their goods directly to the consumer. Along with facilitating these important transactions our hope is to contribute to a healthier community, by providing regular interactions between neighbors, cultural experiences including music, and a local outlet for the W.I.C. program and EBT programs.
